Sir,

During my inspection of the Sri Aswathanarayana Swamy temple at Nahishi on the 4th of January 1907, the temple servants requested that the open space between the kitchen and the Aswatha tree be roofed up as otherwise it would be inconvenient to take naivedya from the kitchen to the Sannidhis during the rainy season and represented that cooking on a large scale had to be done in this space. ~~I think that~~ Such roofing ~~will~~ may perhaps interfere with the li and the temple

A separate kitchen may if necessary, constructed on the vacant site on the back side of the temple. ~~and~~ The open space should be left as it is at present. // The space all round the Aswatha tree is closed up with a roof, but the servants complained that even now it leaks. Sir,

During my inspection of the Muzrai Institutions in the Mysore Dt. in April last I visited the masjid at Saligram in the Yedatore Taluk. It is not endowed with any cash grant or land grant from Govt., but the Khazi gets Rs6-12-0 per annum. The Musalmans seem to take interest in the institution and have already executed repairs to it. A verandah, a House and a compound wall are required

to the building. The Mussalmans said that they would contribute some amount and requested for Govt aid. I am directed to request that you will be so good as to inform them that if they actually deposit their promised contribution in the Savings Bank, the question of supplementing the same from the State Grant will be favourably considered.

Sir,

During my tour of inspection of the Muzrai Institutions at Saligram in the Yedatore Taluk, I observed that the Sri Arkeswaraswami temple at the place was in a dilapidated condition. One Rama Sastri of Saligram represented to me and also presented a petn. stating that the residents of the locality would contribute Rs 100/- and prayed that the balance

required to make up the full amount of the estimated cost of the temple repairs might be supplemented from the realizations of the remmed inam lands of the Institution. The petition is forwarded herewith, and I am directed to enquire under what authority, the temple lands were remmed, and to request to be furnished with an estimate for the repairs of the Institution.

2. The favor of an early report on the above points is requested.

Sir,

During my inspection of the Kikkeriamma temple at Kikkeri in April last, I observed that the management thereof was in a very unsatisfactory condition. No accounts had been kept of the cash income of the temple, but the pujaries themselves were utilizing the same for their own benefit. Moreover, no plate had been placed in the temple for the devotees to drop in

their offerings of gold and silver
jewels. In these circs., I am directed
to request that you will be so
good as to issue needful
instructions to the Amildar to see to the keeping of regular accts of the Instn and also
to place a polaka or Dubbi
within the temple and examine
and value
the contents at the end of every
month and credit the same to
the funds of the Institution.

2 I also observed that
the pujaries, who were Kurnbas
by caste, were the sole managers
of the ~~Deosto~~ temple. I am to
state that it is very desirable
to appoint 2 Dharmadarsis
to supervise the affairs of the Instn
and, accordingly to request to be furnished
with the names of 2 Kurnbas
if eligible for such appointment.

3. It was also brought to my notice that one Gangamma wife of Somavarpet D. Basappa, had executed a registered will endowing Rs 600/- in favor of this temple and also of the Sri Narasimhaswami and Brahmeswara temples in the same place. I am to enquire if the endowment has been really made, and if so, to request that needful steps may be taken for taking charge of the amount and utilising it for the purposes intended by the donor.

4. One of the pujaries of the temple complained to me that one Kale Gowda of Chellapura village had collected Rs 100/- in the name

of the Godders Kikkeriamma but had kept the amount with him I am to request the favor of your enquiring into the complaint and submitting a report thereon at an early date.

5. During my inspection, I found that a few of the jewels mentioned in the temple list were missing. I am to request the favor of your intimating to this office the estimated value thereof, and ~~of your taking~~ that steps may be taken ~~steps~~ towards recovering the same from the pujaries, who have been in the custody ~~charge~~ of the jewels.

6. The favor of an early report on all the above points is requested
